

# Curriculum Vitae

## Olly Wiggins

### SPECIALITY

DOP / Lighting Camera

### BIO

Olly is the co-owner of S+O. He shoots a wide variety of material including commercials, virals, comedy, cooking, music and entertainment. He is passionate about lighting, and an expert in shooting with digital 35mm technology. He understands the broader production process and always strives to achieve the highest production value. He is happy to assist in the planning process whether or not he is working directly on the job. He thrives on helping directors to create the perfect look and feel for their projects. He has an incredible wealth of experience and resource to bring to any production.
