

FINDEX

Community Fund.

The gift of opportunity

The Findex Community Fund (FCF) has a vision to create equal access to opportunity in the areas of health, education and entrepreneurship. Our goal is to address the limitations for rural and regional communities and more broadly across Australia and New Zealand.

Since publicly launching in February 2018, Findex Community Fund has donated over

\$1.6 million dollars

to charities that improve the lives of patients and their carers through health care, **empowering young people** and working towards a successful and sustainable future.

Partner Charity Program

The Partner Charity Program is a cornerstone of Findex Community Fund's **core values**.

To date, our funding has provided:

Health

36

Children's

journey through the
paediatric development
program

1,250

Nights

of accommodation for
Australian families

421

Nights

of accommodation for New
Zealand families

Entrepreneurship

24

High Impact Work

Readiness Programs

10

Community grants

for the Heywire program

280

Students

Outward Bound
School course

Education

46

Grants

for rural young people

undertaking further education

2

Scholarships

for indigenous students

161

Kiwi kids

supplied with food, clothing
and health and hygiene items

Partner Charity Program impact

We are so grateful for the support from the Findex Community Fund. It is a demonstration of their commitment to rural and regional Australia. With their support, education outcomes for young country school leavers continue to improve and provide new, exciting opportunities.

Juliet Peterson

CEO of Country Education Foundation

We want children living in hardship to have the same opportunity to learn as any other child, because education is their ticket out of poverty. Success for us is a child sitting in class feeling warm and dry and able to focus on learning because they have a cosy jacket, good shoes and a full tummy. It's about providing period products, so they don't miss school, or head lice treatment to improve their health. Every child deserves to have the basics – that's why we are so grateful for the support we receive from partners like the Findex Community Fund.

Julie Chapman

CEO & Founder of KidsCan

KidsCan

Our sincere thanks for your continued commitment and belief to empower our Indigenous children through a quality education. Quite simply put, we could not provide our educational program and the milestones and opportunities it creates for these children without the support of special people like you. Thank you.

Jenni Heenan

Fundraising Manager of Yalari

Community Donating Program

Our **Community Donating Program** leverages the ingrained community-first culture of Findex to identify various needs throughout Australia and New Zealand, creating real impact for those in need.

Over \$600,000
