

# CERTIFIED VETERINARY ACUPUNCTURIST

(CVA) PROGRAM in FRANCE with up to 212 Education Hours

DRY NEEDLING

ELECTRO-ACUPUNCTURE

MOXIBUSTION

AQUA-ACUPUNCTURE

**40 Hours Hands-on Acupoint Lab + 12 Hours On-site Tutoring and Real Case Demos**  
**Up to 128 Hours Online Lectures and Lab Demos**  
**Complimentary 32-Hour Evidence-based Veterinary Acupuncture Course**

## LEARN FROM WORLD-RENOUNDED EDUCATORS AND PRACTITIONERS IN VETERINARY ACUPUNCTURE

Learn from instructors with over 75 years combined experience practicing and teaching veterinary acupuncture and Traditional Chinese Veterinary Medicine (TCVM), including world-renowned speakers Drs. Huisheng Xie, President and Founder of Chi University, and Lorena Lloret-Nadal, Director of Chi Europe.

## THE BENEFITS OF HANDS-ON EXPERIENCE PLUS THE CONVENIENCE OF ONLINE LEARNING

Chi's hybrid learning system incorporates hands-on experience through small on-site acupoint labs, real acupuncture case demos, and case presentations. In Chi's state-of-the-art online learning portal, knowledge is gained through virtual lectures & demos you can stream at your convenience.

## JOIN THE CHI FAMILY, GET LIFE-LONG SUPPORT

More than 8,000 veterinarians from over 75 countries have completed courses at Chi since its founding in 1998. This community of (TCVM) practitioners share knowledge & support at the annual international conference and through Chi's online forums. All Chi graduates receive free lifetime case consultation from Chi faculty.

LEARN FROM THE MASTER OF VETERINARY ACUPUNCTURE

1 to 5 INSTRUCTOR to STUDENT RATIO: INTENSIVE HANDS-ON

ONE MORE TOOL FOR YOUR TOOLBOX  
ONE MORE OPTION FOR YOUR PATIENTS

ELIGIBLE FOR 25% OF FUTURE MASTER'S DEGREE CREDIT

## LEARN FROM THE BEST

Chi's faculty is comprised of world-renowned veterinary acupuncturists and educators who actively treat patients using the same modalities they teach. Learn more about your CVA instructors and register to become a Certified Veterinary Acupuncturist at [www.chiu.edu/courses/cva-fra](http://www.chiu.edu/courses/cva-fra).

**Huisheng Xie DVM, PhD**  
Founder and President of Chi University

Dr. Xie has 38 years clinical, teaching and research experience in veterinary acupuncture and TCVM. He has trained over 10,000 veterinarians to practice TCVM worldwide. Dr. Xie's education includes advanced training in veterinary medicine, veterinary acupuncture, and human acupuncture. Dr. Xie has authored 20 books and over 100 peer-reviewed papers. His textbooks, including *Xie's Veterinary Herbology*, *Xie's Veterinary Acupuncture* and *Traditional Chinese Veterinary Medicine-Fundamental Principles*, have been used for TCVM training programs around the world. Dr. Xie continues to teach and develop educational courses and programs at Chi University, serves as a full clinical professor at University of Florida's College of Veterinary Medicine, and is an honorary professor at China Agricultural University, South China Agricultural University and China Southwest University.

**Lorena Lloret Nadal DVM, CVA, CVBMA, CVFT, CVCH, CVTP**  
Director of Chi Europe

Dr. Lloret received her DVM from Murcia University in Spain in June 2002. In 2005, she earned her veterinary acupuncture certification from the Chi Institute (now Chi University) and the University of Chiang Mai in Thailand, where she met Dr. Xie. In 2006, she completed the University of Florida Acupuncture Internship program with Dr. Xie. In December 2014, Dr. Lloret became the chief of the TCVM Service of the veterinary teaching hospital of the University Alfonso X in Madrid, Spain, where she offers TCVM clinical service for small animals and horses, as well as offering TCVM as a complementary treatment to veterinary clinics throughout Madrid. Dr. Lloret is the translator and editor-in-chief of the Spanish edition of *TCVM: Fundamental Principles* by Dr. Xie. She is the director of Chi Europe in Madrid, Spain, where she is also one of the primary instructors.

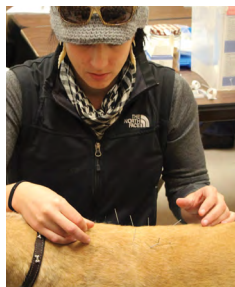

**Roger Clemmons DVM, PhD, DACIVM (Neurology and Neurosurgery), CVA, CVFT**

Dr. Clemmons received a DVM from Washington State University, as well as a PhD in veterinary science (emphasis in neurophysiology and clinical neurology). Dr. Clemmons then took a faculty position at University of Florida's College of Veterinary Medicine where he practiced neurology and neurosurgery for 35 years before joining the private Veterinary Specialty Hospitals in Florida. Dr. Clemmons, a board-certified specialist in Neurology, has published over 100 peer-reviewed original studies, papers and abstracts and has presented in the US and abroad. At UF, he had an active research program and is known for his work on platelet physiology and the study of neurodegenerative diseases such as degenerative myelopathy. He has developed a number of innovative neurosurgical techniques including fixation of atlantoaxial subluxation and Wobbler's syndrome. Dr. Clemmons earned certifications from Chi in acupuncture (2000) and food therapy (2009). He speaks nationally and internationally on neurology and the science of veterinary acupuncture.

**Laura Ortolá DVM, CVA, CVFT, CVTP, CVBMA**

Dr. Ortolá received her DVM from Universidad CEU Cardenal Herrera of Valencia, Spain in 2013. During her veterinary studies, Dr. Ortolá completed several notable externships abroad, among them: the Equine Veterinary Hospital in Ghent, Belgium, Clinique Equine Debrosse in Paris, France, and Newcombe and East Equine Clinics in West Midlands, UK. Additionally, she completed a 1 year internship at the Clinique Equine de Meheudin in Argentan, France. Dr. Ortolá earned her CVA at the Chi Institute of Europe in 2014, completed the Equine Advanced TCVM course in 2015, followed by certifications in Food Therapy, *Tui-na*, and Balance Method. She is currently studying herbal medicine. Dr. Ortolá worked at the Clinique vEquine du Petit Hautier in France from 2015 to 2018, combining TCVM with Conventional Veterinary Medicine. She then started her own practice, offering TCVM services and sports medicine advice for horses. Instructor since 2019 at the International Acupuncture Course and speaker at the Food Therapy and Lameness Course for Horses. Dr. Ortolá is the Director of Chi France.

## CVA PROGRAM OVERVIEW

The course begins with an overview of fundamental aspects of Chinese Medicine, including *Yin-Yang* and Five Elements theory, which serve as a foundation for case diagnoses and treatment presented later in the class. A variety of acupuncture techniques are taught, including **electro-acupuncture**, **aqua-acupuncture**, **moxibustion**, etc. in addition to conventional "dry" needling. Two track options are available: small animal and mixed practice (which includes both small animals and horses). In acupoint labs, students learn acupuncture points on dogs or both dogs and horses depending on the selected track.

**LEARN MORE & REGISTER!** [chiu.edu/courses/cva-fra](http://chiu.edu/courses/cva-fra)

Chi's hands-on acupoint labs and low student-to-instructor ratio ensure you gain the confidence to start practicing acupuncture after the first on-site session.

The course is presented in 2 online sessions and 3 hybrid sessions. Each hybrid session includes two portions: online & on-site. Online portions are comprised of lectures and case demos that students can stream at their own convenience. On-site portions give students the opportunity to learn acupuncture points on live animals in small acupoint lab groups of four to six students per instructor.

**Class is limited to 20 students for an intensive & intimate learning experience**

### Session 1 - Online Up to 24 Online Lectures

Program Introduction  
History of Veterinary Acupuncture  
What is Acupuncture  
Veterinary Acupuncture: Scientific Basis  
*Yin-Yang*  
Eight Principles  
Five Elements  
*Zang-fu* Physiology

Register by February 28, 2021 & receive 500€ tuition discount (100€ off per session).

Chi University's Main Academic Building in Reddick, FL, USA

## CHI UNIVERSITY IS THE WORLD'S LEADING POST-GRADUATE EDUCATIONAL CENTER OF TRADITIONAL CHINESE AND INTEGRATIVE VETERINARY MEDICINE

Chi University (previously the Chi Institute) was established by Dr. Huisheng Xie in 1998. It is dedicated to providing the highest quality AAVSB RACE-approved\* continuing education courses and academic programs in veterinary acupuncture, Traditional Chinese Veterinary Medicine (TCVM) and Integrative Veterinary Medicine exclusively to veterinarians and veterinary students.

Additionally, Chi University offers the only licensed and accredited Master's Degree Program in TCVM in the U.S. This comprehensive program provides in-depth knowledge of the fundamental principles of TCVM, acupuncture points and techniques, Chinese herbal materia medica and formulations, food therapy, and *Tui-na* (Chinese medical manipulation). Chi University has been accredited by the Distance Education Accrediting Commission (DEAC) that is recognized by the

US Department of Education and Council for Higher Education Accreditation (CHEA) since 2019.

With a state-of-the-art 90-acre main campus in Reddick, Florida

USA, and international courses based in Australia, China, Costa Rica, France, Peru, Indonesia, Japan, Malaysia, South Africa, South Korea, Spain, Taiwan, and Thailand, Chi University has proudly graduated over 8,000 licensed veterinarians from 75 countries and regions.
