

TORBAY CPD GROUP

Ionising Radiation and Radiation Protection in Dental Radiography

Presented by Sonia Jones

Sonia Biog: Sonia Jones RDH CFET

Sonia practices as a Dental Hygienist in Torquay, she also teaches & lectures across the country for Dental Post Graduate Deaneries, private companies and delivers core subjects in general practice, she is also an examiner for the NEBDN and is SAFECERT qualified to deliver BLS & AED training.

Target audience: The lecture will cover the full 5 hours CPD required by the GDC for DCP's who do not take radiographs.

Presentation Aim: To deliver an overview of ionising radiation and the radiation protection rules that govern radiography in dentistry, for DCPs to gain the understanding that the GDC recommends.

Presentation Objectives:

- outline the main components of Ionising Radiation Regulations IRR1999 and IR(ME)R 2000
- identify the impact of this legislation on General Dental Practice
- describe the nature and effects of ionising radiation
- list and describe the types of radiobiological damage that can occur to the body
- list properties of x-rays
- identify considered best practice
- explain the purpose of taking certain types of radiographs (selection criteria) and describe what we look for on them
- interpret different types of radiograph

Learning Outcomes:

- DCPs will have completed a questionnaire, taken part in Q&A sessions and group work and made notes to complement their learning.
- DCPs will have gained new knowledge and/or revised previous knowledge on radiography and radiation protection within their place of work.
- DCPs will be able to update any policies within their place of work that are governed by the GDC and CQC.

Standards: 1.1, 1.4, 1.9, 2.3, 3.1, 6.1, 6.4, 7.1, 7.2, 7.3

To be held at
TREC unit Torbay Hospital
Saturday 14th October 2017

9.00 Registration, tea and coffee

9.30 Prompt start (1st part)

11.00 Tea and coffee

11.20 (2nd part)

13.20 Lunch break buffet

14.00 (3rd part)

15.30 Evaluations and certificates

Register before 29/9/2017 for only £17.50
