**PROFILE:**

Miguel is a highly experienced Lighting Cameraman who for over 15 years has enjoyed creating arresting visual imagery for a wide range of clients in the UK and abroad.

As DoP on commercials, promos, idents, corporates and television programming he works hard to achieve an easy and collaborative environment. His skilled approach and enthusiastic attitude have allowed him to work in over 25 different countries.

Experienced in a multitude of film and video formats he is seasoned enthusiast of many large sensor cameras including the Arri Alexa, Mini & Amira, Sony FS7 & F5/55 & Canon C300 MKII. He is keen to provide creative yet cost-effective solutions whatever the budget.
