

KROGER PRECISION MARKETING SPEC SHEET

VERSION 2.0 | 1.2020

TONE OF VOICE

Do not include copyrights or disclaimers, unless legally necessary (documentation required).

Brand and/or manufacturer logo can be featured, unless it is part of an enterprise campaign, in which case, the campaign logo will take priority.

Copy should be uplifting and upbeat, per Kroger Tone of Voice.

- > Suggestive rather than directive.
- > Avoid copy that assumes customer can be identified by: lifestyle, activities, demographics, or gender.
- > Avoid provocative statements.
- > Avoid competitive language (toward other products or retailers).
- > Do not direct customers to external websites, memberships, or rewards programs.
- > Do not include phone numbers or email addresses.
- > Avoid using phrases or taglines that may be trademarked by competing retailers (e.g. "Just for You"). See Appendix.
- > Avoid "So we've sent you these savings" or "We're sending you these savings."
- > Avoid capitalizing words with the exception of "OFF" and "NEW"

CTA must be simple and clear. See Appendix for suggested CTA wording. Include digital coupon savings in headline, where applicable.

Avoid copy that references item location within the store.

When driving media to a coupon, include a digital coupon callout in the copy (e.g. "Save \$X on Product with digital coupon") or use the "Get the Coupon" CTA. This helps prime our Customer to take the next step and load the offer to their card.

COMPETING RETAILER LANGUAGE TO AVOID
