

MANE'S STOCKS TRUSTED BY CHEFS

Using a small range of flavoursome ingredients and MANE culinary expertise, our Chefs have developed recipes for clear stocks.

Our expertise in concentrated ingredients enables us to create balanced, tasty stocks with full traceability.

Meat, seafood and vegetable profiles have been finetuned to suit specific tastes for different countries.

Trusted by Chefs

At MANE, we care about providing sustainable and tasty products for our customers.

Our international Chefs have developed a natural stocks' range made with our in-house concentrated juices. Most of the ingredients used are sourced near to our factories to preserve their quality and freshness. We have complete transparency and traceability of all the raw materials used in our stocks.
