Financial Policy and Assignment of Benefits

Precision Regenerative and Functional Medicine is dedicated to providing the best possible care and service to you. We regard your understanding of all your financial responsibilities as an essential element of your treatment.

* We have made prior arrangements with many insurers and health plans (HMO & PPO) to accept an assignment of benefits. We will bill those plans and will only require you to pay the authorized copayment, coinsurance and/or deductible at the time of service. **The office policy is to collect this copayment, coinsurance and/or deductible when you arrive for your appointment.** This amount is an estimate and is based on the most recent insurance verification obtained by our office staff.

* If your insurance policy requires a referral for Precision Regenerative and Functional Medicine, please understand we will request this referral from your referring practitioner prior to your appointment, but it is ultimately your responsibility to obtain this referral. If your services are denied because the referral was not received, you will be responsible for the full charged amount.

* **Private pay patients are required to pay in full at the time of service.** A quote will be provided for any and all procedures prior to your appointment.

* We accept VISA, Mastercard, and Discover. Please be advised that there is a $20 service charge on all returned checks.

* Your insurance policy is a contract between you and your insurance company. As a courtesy, we will file your insurance claim for you, if you assign the benefits to our doctor. If your insurance company does not pay our office within 90 days, you will be responsible for payment. If we later receive a check from your insurer, we will refund any overpayment.

* All health plans are not the same and do not cover the same services. In the event that your health plan determines a service to be "not covered" you will be responsible for the complete charge. Payment is due upon receipt of a statement from our office.

* If you have a medical procedure performed by our physician at a location other than our office you and/or your insurance company will receive two bills, one from our physician for his professional services and one from the facility where the procedure was performed.

* For all services rendered to minor patients, the parent and/or legal guardian will be responsible for payment.

* If you receive a statement from Precision Regenerative and Functional Medicine the balance needs to be paid in full within 30 days of receipt unless prior arrangements have been made. Any remaining balances due after 90 days will be considered delinquent and will be turned over to an outside collection agency. Future appointments will not be scheduled until balances have been paid in full or a written payment plan has been agreed to by our office. Please be sure to update any contact changes with our office staff so you can be reached regarding your balance.

* In order to provide the best possible service and availability to all our patients, please call us as early as possible if you know you will need to reschedule your appointment. Please see the attached cancelation no show polices and fees.

*I hereby assign all medical and surgical benefits, to include major medical benefits, to which I am entitled. I hereby authorize and direct my insurance carrier(s), including Medicare, private insurance and other health/medical plan, to issue payment check(s) directly to **Precision Pain Consultants** for medical services rendered to myself and/ or my dependents regardless of my insurance. In the event that the insurance payment is sent directly to me, I realize that I will be billed personally until the balance is paid.

I have read and understand the financial policy and assignment of benefits of the practice and I agree to be bound by its terms. I also understand and agree that the practice may amend such terms from time-to-time.

CANCELATION AND NO SHOW POLICIES AND FEES

This is a reminder of our policy regarding missed appointments. When one patient misses their appointment and does not let us know, or when one patient cancels their appointment late (less than 24 hours prior to the appointment), it not only affects our staff, but also other patients.

As you know, our patients are in pain. They like to be seen and treated as soon as possible. We do our best to see and treat everybody as soon as we can, but also allow enough time on our schedule for every patient to be heard and examined, and for questions to be answered. We are respectful of our patients' time, and we ask our patients to be respectful of our time.

When somebody does not call to cancel their appointment and simply just does not show up, or calls and cancels their appointment at the last minute, we cannot schedule another patient on such short notice. We lose time that day and somebody else continues to wait to see us, while suffering in pain.

Charging for missed appointments is not something we like to do. It can be avoided with a minimum of courtesy and good communication. Please help us continue to treat you and everybody else at the standards you deserve.

FOLLOW-UP APPOINTMENTS

NO-SHOW OR MISSED WITHOUT 24 HOURS NOTICE WILL BE CHARGED **$50.00**.

CANCELED WITH LESS THEN 24 HOURS NOTICE WILL BE CHARGED **$25.00**

I, _____, understand that as part of my health care, Precision Regenerative and Functional Medicine originates and maintains paper and/or electronic records describing my health history, symptoms, examination and test results, diagnoses, treatment, as well as plans for future care. I understand that this information serves as:

* A basis for planning my treatment;
* A means to facilitate communication among the many healthcare professionals who contribute to my care;
* A source of information for applying my diagnosis and surgical information to my bill;
* A means by which a third-party payer can verify that services billed were actually provided;
* A tool for healthcare operations of Precision Pain Consultants such as assessing quality of care and reviewing the competence of healthcare professionals.

I understand that as part of Precision Regenerative and Functional Medicine treatment, payment, or healthcare operations, it may become necessary to disclose my protected health information to another entity for the purposes stated above.

I understand I have the right to review a **Notice of Privacy Practices** that provides a more complete description of how Precision Regenerative and Functional Medicine may use and disclose my protected healthcare information. I further understand that Precision Regenerative and Functional Medicine reserves the right to change its **Notice of Privacy Practices**. Should Precision Regenerative and Functional Medicine change its **Notice of Privacy Practices**, an amended copy will be posted in a prominent location in the practice site, or, upon my request, an amended copy will be sent to the address I have provided.

I agree that Precision Regenerative and Functional Medicine may do the following unless I specifically give direction prohibiting such activity:

* Send visit reminders and test results to the address I have provided.
* Send routine correspondence, such as billing statements, to the address I have provided.
* Leave messages on answering machine or voicemail associated with the telephone numbers I have provided to either confirm appointments or to request that I call the practice for medical or billing matters.

Medication Agreement and Instruction

You are expected to use your medication appropriately. Do not share, sell or otherwise permit others access to your medication. Take your medication only as directed on the bottle or explained to you by the physicians or physician's assistants. Store your medication in a safe place. Count your medication at the pharmacy when receiving it.

Only one provider (physician/physician assistant) should prescribe and maintain your medication.

If you find your medication is not effective, do not increase your medication dosages yourself. Please email info@austinppc.com or call 512.892.0490 to speak with a medical assistant. While we try to answer everybody promptly, you must allow at most 48 hours for response to your email or call. We may schedule a follow-up appointment to discuss some issues.

Please do not contact our office for refills. Please request your prescription refills at least 48 hours prior to medications running out, not counting Saturdays, Sundays, or holidays. This allows for proper review of your history or time for prior authorization required by insurance companies.

In case of lost, stolen, self-increased medication or any other unexplained discrepancies, early refills will not be provided. Non-opioid medication or withdrawal medication may be offered.

Maintain a primary care physician that you see for general or other medical care, lab testing for other acute or chronic health conditions that may require annual or routine monitoring and care.

Provide a list of other medical conditions, medications, and other physicians and notify our office of any changes that may occur.

Allow periodic medication monitoring by urine drug screens (UDS) and other lab testing if necessary as part of your treatment plan. In case of inconsistencies on your UDS, you will be dismissed from our care and offered one month's worth of medication and instructions on how to taper it. Do not use alcohol or take any other mind altering substances while using pain medications. Chronic opioid analgesic therapy may cause dependence, addiction or re-addiction, and tolerance.

Please initial and sign:

_____ I have read and had the opportunity to discuss the information in this MEDICATION AGREEMENT between myself, my physician or physician assistant.

_____ I understand that for my safety, failure to follow the instructions detailed in this agreement may result in non- narcotic pain management treatments only, and possible dismissal from services through Precision Pain Consultants.
