

# BLACK-SPLITTER

**Split Oversize Timber**

**Split Tree Stumps**

**Split Tree Roots**

**Convert Waste Timber Into Fuel  
Wood**

**Handle Timber**

- Unique cone design ensures optimum splitting performance with minimum power requirement.
- Powered from excavator's double-acting auxiliary circuit.
- Manufactured using high-grade structural and wear-resistant steels for exceptional durability.
- The Black-Splitter can be used for timber handling and processing operations.
- To suit excavators from 1.5t – 25t; also suitable for loaders, skid steers and telehandlers.
- Two piece cone with replaceable tip.
- Modular design with adaptable mounting interface to suit excavators and loaders.
- 12 months warranty.

**“Perfect Partners”**
