Retail clients

Under the Corporations Act 2001 (The Act) Retail Clients are provided with additional protection. The Act denotes Retail Clients as:

- Individuals or a manufacturing business employing less than 100 people or any other business employing less than 20 people and that are purchasing the following types of insurance covers:

- Motor vehicle, home building, contents, personal and domestic, sickness/accident/travel, consumer credit and other classes as prescribed by regulations.

Some of the information in this FSG only applies to Retail Clients and it is important that you understand if you are covered by the additional protection provided.

Retail client issues

Typically we only provide General Advice to our Retail Clients. General Advice does not take into account your particular needs and requirements (i.e. beyond the basic facts to ascertain the level of insurance you require) and you should consider the appropriateness of this advice to your circumstances prior to acting upon it. We will provide you with a General Advice Warning in such cases.

If you are a new Retail Client purchasing Personal Accident or Sickness insurance and obtain Personal Advice, that is, advice that takes into account your particular circumstances, we will give you a Statement of Advice (SOA), that sets out the advice provided and the basis on which the advice is made and our remuneration should you purchase the product.

For existing Retail Clients we may not provide an SOA but rather provide the advice to you orally. In such cases you may request us to provide you with a Record of Advice (via phone or in writing) which we will provide to you within 28 days of such request.

When you ask us to recommend an insurance policy for you, we will usually only consider the policies offered by the insurers or insurance providers that we deal with regularly. In giving you advice about the costs and terms of recommended policies we have not compared those policies to other policies available, other than from those insurers we deal with regularly.

If we recommend the purchase of a particular financial product, we will also provide you with a Product Disclosure Statement at that time, which sets out details specific to that product and the key benefits.

What we expect from you

To enable us to provide appropriate advice we need you to provide us with complete information about the risk(s) that you face and those that you want to be insured for. You should also tell us about any relevant changes as they occur so that we can review your insurance needs accordingly.

This insurance covers former representatives and employees for work done whilst they were engaged with us and satisfies the requirements for compensation arrangements under Section 912B of The Act.

Our sources of income

When placing your insurance we usually receive a commission from the insurer. The amount varies between 0% and 25% of the base premium you pay. Where a policy is cancelled before the period of insurance has ended we will usually retain the commission on any return premium involved.

If you are a Retail Client and we give you Personal Advice, commission amounts will be provided in any SOA or (where an SOA is not required to be provided) included on any relevant invoices.

When we give you General Advice, full commission information (including dollar amounts) will be provided to you.

We have a set of standard non-refundable Broker Fees that we charge you for services such as:

- Market research on products available.
- Assessing the claims paying ability of insurers.
- Sourcing alternative quotations and coverage.
- Risk analysis and portfolio coordination.

All fees payable for our services will be advised to you at the time of providing the advice or service.

We may receive additional remuneration from insurers with whom we have profit share or volume bonus arrangements. This remuneration is payable if we meet certain agreed sales and/or profitability targets set by the insurer. If we have profit share arrangements with an insurer that apply to a product we recommend to you, we will advise you of this at the time of making any such recommendation if the amount involved is material.

We retain the interest on premiums paid by you that are held in our trust account before paying the insurer.

If you pay by credit card we may charge you a credit card (incl. arrangement and handling) fee, which is disclosed and shown separately on our invoices, they are non refundable. This fee covers the cost of bank charges etc. associated with such facilities.

Premium funding products enable you to pay your premiums by installments. Premium funders do charge interest. We can arrange premium funding if you require it. We may receive a commission based on a percentage of the premium from the premium funder for doing so. We will tell you the basis and amount of any such payment if you ask us.

How our representatives are paid

Your adviser is paid a salary package and may also receive bonuses, which are calculated depending on certain performance standards for quality, compliance and productivity.

If a person has referred you to us, we may pay them a part of any fees or commission received. If you are a Retail Client and receive Personal Advice full remuneration details will be disclosed in the SOA or invoices related to the advice.

Conflicts of interest

Your adviser may also receive a range of other benefits from product providers such as marketing support or sponsorship, entertainment, conferences, accommodation and travel which will be disclosed in your SoA if you are a retail client.

We maintain a public register outlining the forms of alternative remuneration that we both pay and receive. A copy of this register can be accessed upon request. Any of the payments listed above will be made to the extent permitted by law.

For Retail Clients receiving Personal Advice, details of relationships that impact the advice will be included in any SOA or invoice documentation we send you.

All material conflicts that impact our advice, that are not mentioned in this FSG, will be advised to you on the invoices related to that advice.

We will outline any specific sponsorship details in your SOA. These are not additional fees from your account. They are paid out of the product provider's own resources.
